Exercise 7.5
(Objectives 7.9)

Create one text file review.txt **with the content below. Write a program** countWords.py **at same folder to count number of words "well" in the file** review.txt**.**

review.txt
I have a niece with a lot of allergies- both foods and environmental so I was concerned about these finger paints. He did very **well** with them. being 18 mon. old, this was a great sensory activity. her first picture was using the blue paint- her choice. easy clean up for mom and dad as **well**.
